MASTER'S DEGREE COMMITTEE

Chair: _____

Co-Chair: _____

Second Member: _____

SIGNATURES

Student: _____ Date: _____

Vice-Chair for Graduate Study : _____ Date: _____

COURSE REQUIREMENTS:

1. Overall Minimum Units: 24 semester units. Must be either 200 or 100 upper division series. Up to 1/3 of total units may be taken satisfactory or unsatisfactory (S/U).

2. Mechanical Engineering Units: 12 semester units. Must be in 200 series level courses and can include 4 semester units of ME 299.

3. Major Field Area Units (e.g. Bioengineering, Controls, Fluids, etc.): 12 semester units. Must be 200 or 100 upper-division courses.

4. Transferrable Units: Only 4 semester units taken while in graduate standing and not used toward another prior degree can be transferred.

* Grade In Progress: Course In Progress must be included, and the grade indicated by (IP)

MASTER'S DEGREE COMMITTEE REQUIREMENTS:

Two faculty, both members of the Berkeley Academic Senate: Your Research Advisor (Chair), and a second member from or outside ME.
In case the Research Advisor (Chair) is outside the ME department, a second ME member is required to serve as Co-Chair.
